**MINES & GEOLOGY DEPARTMENT,
TASHILING SECRETARIAT,
GOVERNMENT OF SIKKIM**

No. 01/GOS/DMG/23-24

Dated: 04/08/2023

NOTIFICATION

Whereas, it has come to the notice of the Government that some private agencies are engaged in Geo-technical works and site Stability Reports etc in the State of Sikkim without obtaining any technical opinion of the Mines & Geology Department, Government of Sikkim.

And whereas, the state of Sikkim is located over young fold mountains with fragile geo-environmental conditions and the Department of Mines & Geology has been conducting Geological and Geo- technical studies from the initial stages of its establishment.

Now, therefore the State Government has deemed it expedient to notify that all Government Department under State Government and all private companies shall compulsorily obtain Site Stability Report and Geo-technical Feasibility Report from Mines & Geology Department, Government of Sikkim while preparing their Detailed Project Reports (DPR) prior to any construction activities.

By order and in the name of Governor.

**Dicky Yangzom, SCS
Secretary
Mines & Geology Department**
